Narrative:

On Thursday, November 12, 2009, at approximately 1:39 a.m., Northeast Area Command patrol officers responded to a crash in the 10400 block of North IH 35 northbound service road.

A preliminary investigation shows that a green Isuzu Rodeo, driven by John Stewart, was traveling northbound on the frontage road of North IH 35. The vehicle accelerated to a high rate of speed, left the roadway and flipped over, partially ejecting Stewart. Stewart was pronounced deceased at the scene.

Speed appears to be a contributing factor in this crash.
